## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
Rural Neighborhoods, Inc. and Its Affiliates

### **Report on the Consolidated Financial Statements**

We have audited the accompanying consolidated financial statements of Rural Neighborhoods, Inc. (a nonprofit organization) and Its Affiliates, which comprise the consolidated statements of financial position as of December 31, 2018 and 2017, and the related consolidated statements of activities, changes in net assets and cash flows for the years then ended, and the related notes to the consolidated financial statements.

### **Management's Responsibility for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Rural Neighborhoods, Inc. and Its Affiliates, as of December 31, 2018 and 2017, and the change in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## **Other Matters**

### *Report on Supplemental Information*

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying supplemental information on pages 53 through 61 is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. Such information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

The accompanying other information on page 69 has not been subject to auditing procedures applied in the audits of the consolidated financial statements, and accordingly, we do not express any opinion or provide any assurance on it.

### **Other Reporting Requirements Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated May 29, 2019, on our consideration of Rural Neighborhoods, Inc. and Its Affiliates' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Rural Neighborhoods, Inc. and Its Affiliates' internal control over financial reporting and compliance.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2018 and 2017

NOTE 1 - ORGANIZATION AND NATURE OF OPERATIONS

Organization

Rural Neighborhoods, Inc. (RNI) is a Florida nonprofit corporation formed on December 23, 2004 for the purpose of planning, acquiring land, producing, developing and managing construction of projects and sites remaining in the Everglades Farmworker Village parcels and elsewhere. On December 31, 2004, Everglades Community Association, Inc. (ECA) transferred its unrestricted assets and liabilities to RNI to enable it to carry out the above tasks excluding any and all U.S. Department of Agriculture (USDA) restricted assets and liabilities associated with Everglades Farmworker Village.

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of RNI and its affiliates (collectively, the Corporation). All significant intercompany accounts and transactions have been eliminated in this consolidation.

Investment in Subsidiaries

Beginning January 1, 2006, the Corporation adopted the Accounting Standards Codification Topic 958-810 (ASC Topic 958-810), which provides guidance as to when a general partner controls a limited partnership and is required to include the assets, liabilities and activities of a limited partnership in its consolidated financial statements.

Under ASC Topic 958-810, a general partner in a limited partnership or similar entity would be presumed to control that entity and would therefore be required to consolidate the entity unless the limited partners possessed certain rights, principally kick-out rights or significant participation rights. ASC Topic 958-810 applies to entities that are not considered variable interest entities. Management believes that ECA and Big Cypress Housing Corporation (BCHC) effectively have control of certain limited partnerships and these partnerships were consolidated in the separately issued consolidated financial statements of ECA and BCHC.

ECA is a Florida nonprofit corporation formed on July 21, 1982 for the purpose of planning, producing, developing and managing the construction of projects related to providing low cost housing to migrant and seasonal farm workers in Florida. ECA is a controlled corporation of RNI.

ECA includes the following programs and services:

Everglades Farmworker Village (EFV) is a rental operation of ECA and consists of a USDA Rural Development 514/516 farm labor housing complex as described in USDA Handbook 2-3560, Section 2.6. Currently, there are 466 units rented to eligible tenants as defined in the regulations. The USDA also provides rental assistance to tenants based on a formula described in Chapter 8 of the USDA Handbook 2-3560.

When constructed, Phase V will consist of 14 units that will be rented to income eligible migrant and seasonal farm workers as defined by the State of Florida and the USDA. Phase VI (Phase VI) is an additional phase of EFV that is currently under development. When constructed, Phase VI will consist of 10 units that will be rented to income eligible migrant and seasonal farm workers as defined by the State of Florida and the USDA. The project was funded by the USDA and is subject to USDA oversight and regulations. In 2018, the net assets of Phase VI were transferred to ECA.

Currently, there are 15 units rented to eligible tenants as defined in the regulations. The USDA also provides rental assistance to tenants based on a formula described in Chapter 8 of the USDA Handbook 2-3560.

Casa Cesar Chavez (CCC) is an additional phase of EFV and consists of a 28 unit, 144 bed, four building, townhome complex designed to house unaccompanied single workers. The units are rented to income eligible migrant and seasonal farm workers as defined by the State of Florida. This project was not constructed with USDA funds and is not subject to USDA oversight or regulation.

Everglades Migrant Housing (EMH) is an additional phase of EFV that consists of 30 units that are rented to income eligible migrant and seasonal farm workers as defined by the State of Florida and the USDA. The project is funded by the USDA and is subject to USDA oversight and regulations.

ECA also includes the activities of the following subsidiaries:

Live Oak Villas, LLC (LOVI), a wholly owned subsidiary of ECA, is a .01 percent general partner of Live Oak Villas, Ltd. (LOVI-LTD). LOVI-LTD is the owner of a 104 unit, low-income housing tax credit project located in St. Lucie County, Florida. LOVI accounts for its investment in LOVI-LTD in accordance with ASC Topic 958-810.

Live Oak Villas II, LLC (LOVII), a wholly owned subsidiary of ECA, is a .01 percent general partner of Live Oak Villas II, Ltd. (LOVII-LTD). NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables and other liabilities.

Basis of Presentation

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles (GAAP). Net assets, support and revenues, and expenses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes in net assets are classified and reported as follows:

*Without Donor Restrictions:* Net assets available for use in general operations and not subject to donor restrictions.

*With Donor Restrictions:* Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is,

Rural Neighborhoods, Inc. and Its Affiliates

NOTES TO CONSOLIDATED FINANCIAL  
STATEMENTS - CONTINUED

December 31, 2018 and 2017

when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Revenues are reported as increases in net assets without donor restrictions, unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets or liabilities, are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation. Expirations of restrictions on net assets are reported as reclassifications between applicable net asset classes. Contributions are recognized as revenue in the period received or upon the receipt of an unconditional promise to give. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

Adoption of New Accounting Principle

In August 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-14, Presentation of Financial Statements of Not-for-Profit Entities. The purpose of the ASU is to improve financial reporting by not-for-profit entities and to provide more relevant information about their resources (and the changes in those resources) to donors, granters, creditors, and other users of the consolidated financial statements. The ASU, among other things, simplifies the classification of net assets and changes in net assets, requires not-for-profit entities to provide an analysis of expense by natural and functional classifications, and requires enhanced financial statement disclosures regarding a not-for-profit entity's liquidity and availability of resources, self-imposed or donor-imposed limits on the use of resources. The ASU is effective for annual periods beginning after December 15, 2017, with early adoption permitted, and is to be applied retrospectively to all periods presented, except for a permitted option to only provide disclosure analysis of expenses by functional classifications and liquidity and availability of resources in the period of adoption. RNI adopted the ASU effective January 1, 2018. Adoption of the ASU did not result in any reclassifications or restatements to net assets or changes in net assets.

Non-controlling Interest in Limited Liability Companies

GAAP requires consolidated subsidiaries that have non-controlling interests to include the non-controlling ownership interest in the net assets of RNI. GAAP also requires that the aggregate negative balances, if any, of investor member interests prior to January 1, 2010 remain in RNI's net assets.

Restricted Cash

RNI and its subsidiaries are subject to restrictions on certain funds received. These funds are separately classified on the consolidated statements of financial position.

Rural Neighborhoods, Inc. and Its Affiliates

Tenant Accounts Receivable and Bad Debts

Tenant receivables are charged to bad debt expense when they are determined to be uncollectible based upon a periodic review of the accounts by management. GAAP requires that the allowance method be used to recognize bad debts; however, the effect of using the direct write-off method is not materially different from the results that would have been obtained under the allowance method.

Property and Equipment

Property and equipment is recorded at cost. Expenditures for maintenance and repairs are charged to expenses as incurred while major renewals and betterments are capitalized. Construction in progress includes all development costs and capitalized interest incurred during the construction of the various projects. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related cost and accumulated depreciation. The resulting gains and losses are reflected on the consolidated statements of activities. Depreciation expense for the years ended December 31, 2018 and 2017 was \$4,521,505 and \$4,688,879, respectively.

Depreciation is provided using the straight-line method over the estimated useful lives of the assets as follows:

Buildings and improvements	40 years
Land improvements	15 - 20 years
Furniture and equipment	3 - 10 years

Impairment of Long-lived Assets

The Corporation reviews its rental property for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. When recovery is reviewed, if the undiscounted cash flows estimated to be generated by the property are less than its carrying amount, management compares the carrying amount of the property to its fair value in order to determine whether an impairment loss has occurred. The amount of the impairment loss is equal to the excess of the asset's carrying value over its estimated fair value. No asset impairment losses were recognized during the years ended December 31, 2018 or 2017.

Debt Issuance Costs and Amortization

In accordance with GAAP, the debt issuance costs are presented as an offset of the related debt instruments within the liabilities section of the consolidated statements of financial position. Debt issuance costs are being amortized using the straight-line method over the term of the underlying debt instrument and amortization expense is included in interest on mortgages payable on the accompanying consolidated statements of activities.

Rural Neighborhoods, Inc. and Its Affiliates

NOTES TO CONSOLIDATED FINANCIAL  
STATEMENTS - CONTINUED

December 31, 2018 and 2017

GAAP requires that the effective interest method be used to amortize debt issuance costs; however, the effect of using the straight-line method is not materially different from the results that would have been obtained under the effective interest method. Estimated amortization expense for each of the five ensuing years is approximately \$71,528 for 2019 and \$56,505 each year for 2020, 2021, 2022 and 2023, respectively.

Tax Credit Monitoring Fees

Tax credit monitoring fees of \$496,191 and \$496,191 at December 31, 2018 and 2017, respectively, are amortized using the straight-line method over the 15-year tax credit compliance period. As of December 31, 2018 and 2017, accumulated amortization of the tax credit monitoring fees was \$370,480 and \$337,342, respectively. For the years ended December 31, 2018 and 2017, amortization expense was \$33,138 and \$33,139, respectively. Estimated amortization expense for each of the three ensuing years is \$33,139 annually, and for 2022 is \$26,294.

Rental Revenue

Rental revenue is recognized as the rents become due. Rental payments received in advance are deferred until earned. All leases between the Corporation and tenants of the Projects are operating leases and the terms are typically one year or less.

For the year ended December 31, 2018, total rental revenue was \$11,703,630. This amount is comprised of \$8,586,355 from tenants and \$3,117,275 from USDA rental assistance.

For the year ended December 31, 2017, total rental revenue was \$11,249,606. This amount is comprised of \$8,094,527 from tenants and \$3,155,079 from USDA rental assistance.

As of December 31, 2018 and 2017, rental assistance payments of \$504,481 and \$245,905, respectively, were due from the USDA and are reflected as rental assistance receivables on the accompanying consolidated statements of financial position.

Miscellaneous Revenue

Miscellaneous revenues include amounts earned from miscellaneous tenant charges such as late fees, security deposit forfeitures and damages assessments, among others.

Grants

The Corporation receives grants from various governmental agencies. Generally, the Corporation recognizes income from these grants as revenue and support only to the extent that expenditures have been made for the purposes specified in the grant agreements. For the years ended December 31, 2018 and 2017, the Corporation received and recognized grant revenues of \$1,073,501 and \$957,027, respectively, which includes \$0 and \$0 of permanently restricted capital grant funds received, respectively.

For the years ended December 31, 2018 and 2017, the Corporation recognized \$0 and \$0, respectively, of permanently restricted revenue, which is included in grant revenue on the accompanying consolidated statements of activities. As of December 31, 2018 and 2017, \$16,899 and \$18,634, respectively, of endowments funds are included in other assets on the accompanying consolidated statements of financial position.

Advertising Costs

The Corporation's policy is to expense advertising costs when incurred.

Compensated Absences

Employees of the Corporation are entitled to paid vacation and paid sick days. The Corporation's policy is to accrue the costs of compensated absences in the period that the employee becomes entitled to the compensated absences. As of December 31, 2018 and 2017, accrued absences totaled \$99,462 and \$103,177, respectively, and are included in accrued expenses on the accompanying consolidated statements of financial position.

Income Taxes

The Corporation has applied for and received a determination letter from the Internal Revenue Service (IRS) to be treated as a tax exempt entity pursuant to Section 501(c)(3) of the Internal Revenue Code and did not have any unrelated business income for the years ended December 31, 2018 and 2017. Due to its tax exempt status, the Corporation is not subject to income taxes. The Corporation is required to file and does file tax returns with the IRS and other taxing authorities. Accordingly, these financial statements do not reflect a provision for income taxes and the Corporation has no other tax positions which must be considered for disclosure. Generally, income tax returns filed by the Corporation are subject to examination by the IRS for a period of three years. While no income tax returns are currently being examined by the IRS, tax years since 2015 remain open.

Functional Allocation of Expenses

The Project's sole program is to provide housing for low-income tenants and those costs have been summarized on a functional basis in the accompanying statement of activities. Expenses are allocated among this program and supporting service on a basis of time and effort (such

as salaries and benefits) as well as square footage (such as depreciation, office and occupancy) or other reasonable and consistent methodology.

Tax Credit Exchange Funds

Tax credit exchange funds are accounted for as a government grant related to assets. Upon receipt, exchange funds are recorded as deferred liabilities and recognized as income over the life of the related assets.

Forgiveness of Tax Credit Exchange Loans

The Corporation recognizes forgiveness of tax credit exchange loans based on the specific terms of forgiveness set forth in the loan documents. The terms of the Corporation's tax credit exchange loan provide for forgiveness based on terms that are contingent and are not recognized until such contingencies are resolved. All amounts of the loan for which forgiveness is recognized are considered tax credit exchange funds and accounted for as a government grant related to assets.

Capitalization of Interest

In accordance with GAAP, interest incurred during the project development period is capitalized as part of the cost of development. For the years ended December 31, 2018 and 2017, the Corporation capitalized interest costs of \$56,040 and \$54,069, respectively.

Fair Value of Financial Instruments

The Corporation's financial instruments consist of cash, amounts due from affiliates, short-term accounts payable, accrued expenses and debt. The carrying value of these financial instruments approximates fair value due to the short-term nature of these items.

Risk Management

The Corporation is exposed to risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; material disasters; and product liability. The Corporation carries commercial insurance for risks of loss.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors  
Rural Neighborhoods, Inc. and Its Affiliates

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the consolidated financial statements of Rural Neighborhoods, Inc. and Its Affiliates, which comprise the consolidated statement of financial position as of December 31, 2018, and the related consolidated statements of activities, changes in net assets, and cash flows for the year then ended, and the related notes to the consolidated financial statements and have issued our report thereon dated May 29, 2019.

**Internal Control over Financial Reporting**

In planning and performing our audit of the consolidated financial statements, we considered Rural Neighborhoods, Inc. and Its Affiliates' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Rural Neighborhoods, Inc. and Its Affiliates' internal control. Accordingly, we do not express an opinion on the effectiveness of Rural Neighborhoods, Inc. and Its Affiliates' internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Rural Neighborhoods, Inc. and Its Affiliates' consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control, that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Rural Neighborhoods, Inc. and Its Affiliates' consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Rural Neighborhoods, Inc. and Its Affiliates' internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Rural Neighborhoods, Inc. and Its Affiliates' internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR  
EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL  
OVER COMPLIANCE IN ACCORDANCE WITH THE UNIFORM GUIDANCE

To the Board of Directors  
Rural Neighborhoods, Inc. and Its Affiliates

**Report on Compliance for Each Major Federal Program**

We have audited Rural Neighborhoods, Inc. and Its Affiliates' compliance with the types of compliance requirements described in the *OMB Circular Compliance Supplement* that could have a direct and material effect on each of Rural Neighborhoods, Inc. and Its Affiliates' major federal programs for the year ended December 31, 2018. Rural Neighborhoods, Inc. and Its Affiliates' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

**Management's Responsibility**

Management is responsible for compliance with the requirements of laws, regulations, contracts and grants applicable to its federal programs.

**Auditor's Responsibility**

Our responsibility is to express an opinion on compliance for each of Rural Neighborhoods, Inc. and Its Affiliates' major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements referred to above that could have a material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Rural Neighborhoods, Inc. and Its Affiliates' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Rural Neighborhoods, Inc. and Its Affiliates' compliance.

## Opinion on Each Major Federal Program

In our opinion, Rural Neighborhoods, Inc. and Its Affiliates complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs identified above for the year ended December 31, 2018.

## Report on Internal Control over Compliance

Management of Rural Neighborhoods, Inc. and Its Affiliates is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Rural Neighborhoods, Inc. and Its Affiliates' internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Rural Neighborhoods, Inc. and Its Affiliates' internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a major federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a *material weakness* in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of our testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
