What is the income-restriction for Casa Amigos?

Given the size of bedrooms and configuration of the rental units, the maximum number is four (4) persons.

Are pets allowed?

Pets are not allowed.

Will I be rejected if I have a criminal record?

It depends. Rural Neighborhoods staff will review and consider criminal history for each member of the applicant household over 18 years, and applicants may have an opportunity to demonstrate inaccuracies or mitigating factors.

Rural Neighborhoods maintains a tenant selection policy that prohibits certain criminal convictions that indicate a demonstrable risk to resident safety and/or property. We distinguish between arrests and conviction, the nature and severity of the conviction, and the amount of time that has passed since the criminal conduct.

It is our policy to not lease to applicants with felony convictions, felony deferred adjudications and certain misdemeanors concerning violence and drug related charges dependent upon the time that has elapsed from case conclusion, release, or parole date. If the criminal background search and the information provided by the applicant reveals past criminal convictions, which are a violation of our policy, your application may be denied. (Detailed criminal background criteria available upon request.)

Will Rural Neighborhoods review current Landlord references?

Rural Neighborhoods will not reject an applicant for lack of rental history, but an applicant may be rejected for unsatisfactory rental history. Any applicant who has been evicted for nonpayment of rent, damages, or material noncompliance will not be accepted. Any applicant who owes past due funds to a previous landlord will be rejected until all funds that are past due have been paid in full. Should an applicant be rejected based on a negative landlord reference, the applicant may appeal the rejection and if disabled, may request a reasonable accommodation.

Rural Neighborhoods will waive a rejection based solely on landlord reference if the negative information is due to unpaid rent or money owed and can be mitigated to the satisfaction of the Landlord by substantially reducing the financial risk to Rural Neighborhoods. Such examples of mitigation of risk include an applicant providing an acceptable third-party guarantor of the lease or paying an increased security deposit.

Applicants who participate in a rent subsidy program that includes risk mitigation for management such as the Housing Choice Voucher program will not be rejected based solely on negative landlord reference based on unpaid rent or money owed. Such programs provide risk mitigation tools which substantially reduce the likelihood that Rural Neighborhoods will be financially damaged because of waiving the landlord reference requirement.
